

Galleywood Rally Against Proposed Library Closure

Galleywood Infant School
Friday 26th April 2019

Dear Parents,

On Thursday 9th May, a rally against the closure of Galleywood Library has been organised for the Year 2 children from Galleywood Infant School and the pupils of St Michael's Junior School. Alongside local residents and members of SOLE (Save Our Libraries Essex), we will march to the library to show our support for this valuable local facility.

Our Year 2 children have written to the local council to express their disappointment at the proposed closure and have recently had the opportunity to discuss their feelings with the Mayor of Chelmsford during her recent visit. Our pupils recognise the value of having a library on their doorstep and are keen that it should remain open.

We would love for as many parents/relatives/friends to join us that day as possible. We are congregating outside school at 10am to walk to the library and would really value your support. If you would like to attend, I'd be grateful if you could return the slip below so that we have an idea of numbers.

If you have any further questions, please do not hesitate to ask.

Thank you for your continued support.
