

Weaving Stars

Here's what you need:

- cardboard
- scissors
- pen or pencil
- yarn, embroidery string or wool

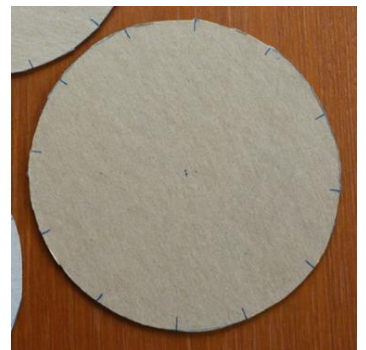

1

Cut circles out of some cardboard.

2

Mark 8 or 12 evenly spaced notches around the edge of the circle.

3

Use scissors to cut in at the notches (about 1 cm in)

4

Tie a knot at the end of a piece of yarn and slot it into one of the notches.

Start weaving and have fun with different patterns and colours!
