

Science Online Resources

Espresso

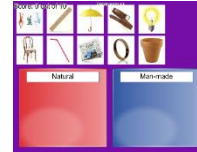

www.discoveryeducation.co.uk/login/eha/?service=espresso

Log onto Espresso with Galleywood Infant's username and password. Click **Key Stage 1** then **Science** to access a brilliant range of videos, interactive activities and printable worksheets to enjoy with your child. Resources are tailored for Foundation Stage, Year 1 and Year 2.

Purple Mash

www.purplemash.com

Log onto Purple Mash using your child's unique username and password. Select the **Science** section to unlock many **Science Tools** and **Topics**. You can create your own posters on a theme, play games and apply your science skills!

STEM website

www.stem.org

STEM stands for Science, Technology, Engineering and Maths

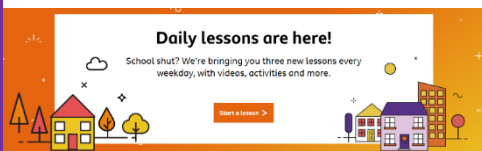

On the STEM website there is a section dedicated just to science with fun ideas and resource sheets that can be downloaded.

www.stem.org.uk/home-learning/primary&science

Resources and experiment ideas for everything from going on a plant walk, designing an effective boat from household materials or watching Tim Peake talk about his experiences as an astronaut and following in his training footsteps can be found!

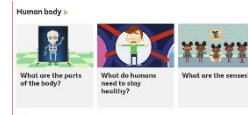

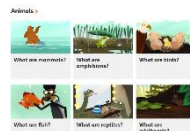

BBC Bitesize -Science

On the **Daily Lessons** tab you will find informative science videos and related activities which have been specially chosen for Year 1 and Year 2:

<https://www.bbc.co.uk/bitesize/subjects/z6svr82>

Clicking the link above takes you directly to the science section of the website. Here, you will find a range of videos and tasks linked to the biology, chemistry and physics strands of science!

Explorify

<https://explorify.wellcome.ac.uk/>

This website has a section for parents who are helping their children with Science at home. Take a look at one of the 'Zoom in Zoom out' activities to try and guess what everyday object or creature you might be looking at! Have a whole new perspective...
