

Galleywood Infant School

Monday 30th November

Dear Parents/Carers,

We are thrilled that we have finally received planning permission for our mini astro-turf pitch and installation is set for mid-January, weather permitting! Half the funding for this project was raised by GIPA and half taken from our Sports Premium over 2 years. It will be an exciting addition to our school facilities!

As you will know GIPA have been working incredibly hard to get fundraising on track so that we can not only have the library refurbished but also restock our collection of books.

You have supported GIPA's virtual balloon race, half term pumpkin trail and "happy bags" of clothing very generously- thank you!

Sadly, our Christmas Fair will not be able to take place this year, but we are planning a week of "Christmas Fair" activities starting next Monday 7th December so that children do not miss out on the pre-Christmas fun and games in December 2020.

To cover the cost of the activities and to support our library project we are asking for a donation of £10 per child by **Monday 7th December**. This is probably less than you would be spending at our Christmas Fair, and will enable us to offer different Christmas themed activities each day next week.

Please send £10 in cash, or write a cheque for £10 made payable to Galleywood Infant School.

The payment should be in a named envelope, given to your class teacher or posted in the box at reception.

Thank you for helping us to create an amazing library for your children and future pupils here 😊

On Monday:

Non-uniform day, wear anything Christmassy and bring a decorated, filled jar for our Jar Tombola on Thursday

On Tuesday:

Go to the secrets room and choose a present for a member of your family, write a label, wrap it and keep it secret until Christmas!

On Wednesday:

We hope Santa will have time to stop by and read a story to each class, leaving a bag of gifts! Weather permitting this will take place outdoors in the pavilion near the Forest Area.

On Thursday:

Play some Christmas games in the hall and see which jar you have won with your lucky ticket!

On Friday:

Ice and decorate a Christmas biscuit to eat or take home.
