

GALLEYWOOD INFANT SCHOOL

'Sports Premium' - 2019 – 2020

The government is providing additional funding of £150 million per annum for to improve the provision of Physical Education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport – and has been allocated to primary school head teachers. This funding is ring fenced and therefore can only be spent on provision of PE and sport in schools.

Our physical education curriculum aims to ensure that all pupils:

- develop competence to excel in a broad range of physical activities;
- are physically active for sustained periods of time;
- engage in competitive sports and activities;
- lead healthy, active lifestyles.

The total funding for Galleywood Infant School for the academic year 2019 - 2020 is £17,180

The development plan for the provision of School Sport at Galleywood Infant School is set out in the following table:

Teachers are kept informed about developments in PE and sport. These days have allowed the PL to discuss sports premium funding and liaise with other PL making links with other schools and clubs.	The CSSP is essential for us to compete in a variety of sporting events. Links made to other sports clubs to help in the future and with future events.
<u>Specialist PE Coaches</u> to work alongside teachers to improve teaching, learn skills progression and develop assessment in PE - Cheerleading teaching - Gymnastics teaching - Games teaching (cricket, tennis, rugby, football, hockey, multi-skills, athletics) KI1, KI3, KI4	(Autumn 19... & Spring 20...) £3,860.50	Work alongside teachers to up-skill teachers. Increase motivation of children and staff during PE lessons, improving fitness, stamina lifelong health and fitness awareness. Support for clubs and training for competition, enabling more children the opportunity and access to competitions that may not have been accessible to them in the past. Year 1 and Year 2 to have specialist teaching in Gymnastics, Cheerleading and Games. This will support teachers and develop confidence and competence in lesson planning and delivery. It will also provide opportunities to assess pupils' skills and progress.	Increased capacity and sustainability for teachers to teach high quality PE lessons covering a range of skills alongside experienced coaches. Enhanced quality of teaching and learning.	Teachers are more equipped to teach a wide variety of lessons and have a wider knowledge of the help and support available to them.
<u>Improved Resources for Physical Education</u> Improve resources for lunchtime provision. KI1	£1,400	Staff to complete a resources audit to identify gaps in the school's resources. Improve children's attitudes towards P.E.	Equipment has helped to improve the children's access to a wider range of activities. Ensuring there is enough for each child to use has allowed the children to work to their maximum potential at all times.	Equipment is there to use in the future allowing us to deliver a range of sports.

		<p>Children will have access to equipment which might normally be unavailable to them. New skills will be developed.</p> <p>To have good quality lunchtime equipment to keep the children engaged.</p> <p>To increase the amount of time each week a pupil participates in sport related activities</p>
