

Galleywood Infants Parents' Association

Dear Parent/Guardian,

We are very excited to welcome you and your children into the school. We all have children here and could not be happier, they have been outstanding, particularly during the last 18 months that have been so difficult. We welcome you and hope you and your children are all as happy here as we are.

We are a group of parents committed to raising money for the school. Our project over the last 2 years has been to raise money for a new school library and we were very successful (please come and have a look at the library as soon as restrictions allow). We have been so successful that we have started raising money for a new pirate ship for the playground. We invite you to look out for pirate themed fundraising this year!

A newsletter will follow our next GIPA meeting which will outline some of our fundraising events that will happen over the academic year 2021-2022 and we hope you will join us by either helping to organise or just attending and having fun! You may be pleased to know that some ways of fundraising for us involve you shopping at your usual places!

We'd also love your ideas and suggestions on how we could get more parents involved in GIPA – we are a friendly bunch and it would be wonderful to see more people coming along to support and volunteer their time to make these events an even greater success. It would be fantastic to see you at our next GIPA meeting to be held on Tuesday 14th September at 7.45pm at school.

We have a Facebook page so please follow us so you can keep up to date with all the events and the progress we're making towards our target for the year.

Thank you,

GIPA members
